

## Translation from English to kazakh

Ташкент, Узбекистан

I need a dedicated writer for data entry and document translation tasks. The documents are primarily general content.

Ideal Skills:

- Proficiency in data entry and translation
- Familiarity with Excel and Google Sheets
- Excellent command of English
- Strong attention to detail

Experience:

- Prior experience in data entry
- Experience in translating documents
- Previous work with general content

Your role will be crucial in maintaining the accuracy of our data and ensuring our documents are translated seamlessly. If you're detail oriented, committed to quality, and have a strong work ethic, I would love to hear from you.
